Parent Questionnaire

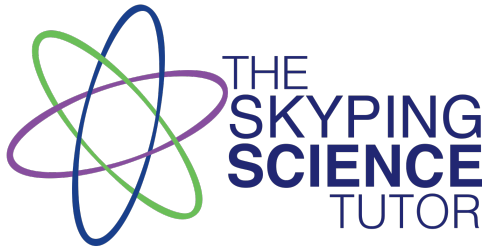

Child's Name: _____ Science Class _____

Thank you for taking the time to answer these questions concerning your child science performance. Your answers will only be used to help me get to know them as a science student. *Please return it by our first tutoring session.*

1. What previous science classes (i.e. earth science, biology, chemistry, physics, environmental science, forensics) has your child taken, and what were their experiences?

2. What does your child complain to you about the science course they are currently enrolled in?

3. What is/are the reason(s) you would like your child to be tutored in science? What major concerns do you have?

4. How would you rate your child in these areas? (**1=hardly ever** to **5=very frequently**) If you don't know an answer, simply leave it blank.

_____ Asks questions or seeks help from the teacher as soon as they discover a problem.

_____ Discusses what happened in science class or lab with you.

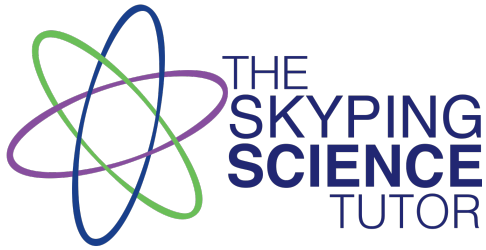

_____ Reads scientific articles or watches scientific documentaries.

_____ Struggles with word problems on science or math homework.

_____ Reads books for fun.

5. List any special interests your child has. This can assist me to find examples and articles with subjects that appeal to your child. (i.e. plays soccer)

6. Has your child's teacher expressed concern about your child's science scores or lab performance? _____ If yes, please explain below.

7. Are there any medical issues I need to be aware of (i.e. seizures set off by flashing lights) _____ if yes, please explain.

8. Has your child ever been in remediation for science at school? Do they attend after school help sessions if available? _____ If yes, please explain.

Is there any other information you'd like me to know about your child?

Thank you for helping me learn more about your child! I look forward to being a part of their educational success story.
